

## B ACTIVE FIELD TRIP

Dear Parents/Guardians,

Every year in the city of Burnaby, grade five students have a wonderful opportunity to enrol in the city's B Active Program. This program allows grade five students free access to pools, skating arenas, gymnasiums and driving ranges for the school year! Students simply register for the program and receive a pass which entitles them to participate. As a class, we will be visiting Eileen Dailly Pool on Friday, October 12 to register students and to swim. While grade four students will not be receiving a pass this year, they will gain an understanding of the program, giving them a glimpse of what's in store for them next year.

We will be traveling by public transit which, fortunately, will also be free due to International Walk to School Week that week. Therefore, there will be no cost to the grade five students for the field trip. Grade four students, however, will need to pay \$3.00 to cover the swimming fee. We will be leaving the school shortly after recess to arrive at the pool where we will have lunch close by at Confederation Park. Students will need to bring a lunch and their swimming gear (swimsuit, towel, shampoo, soap, etc.) on this day.

We are also looking for one parent volunteer per class to accompany us on this outing. If you would like to join us, please indicate so below.

Please complete the attached B Active application form, as well as the bottom portion of this form, and return it to school with the money by Friday, October 5.

Sincerely,

L. Bennett, M. Mann, M. Pocrnic, L. Wagner
